

previously on  
meeting tani - broke cop's nose  
gun is under a box of matches  
do the right thing  
a mole inside the cia - greer  
(42 seconds)  
plane looks like "airplane"  
10 minutes - "hit the head"  
hanalei air  
how can he get parachute past the check in?  
money all over the place, eddie dug a hole!!  
TIRESOME argument - backyardgument  
3 members of chinese spy network were caught with info that greer got  
2:34 - 5:47 (phone call)  
thought he was the air marshal sitting in seat  
gun and explosives - what about parachute  
aren't air marshals subject to same inspection as everyone else?  
jack teague systems alayst from plano texas (plane was from dallas)  
DOB 26 july 1974 W8232106TR PP number date of issue april 15 2015 10 yr passport  
signature?? works at one of those big telecoms  
HPD rookies - crime scene contamination  
tani's instructor - faces him - captain keo  
she wants him to check the gun "off the books"  
"these people are the only family I have and I can't risk losing them"  
"you're a rule-breaker," "this is not the way I do things"  
plane was approaching honolulu, how can they be in "the jungle"  
wind speed, altitude and drop rate (Junior)  
grover says chinese snatched the guy, how does he know this?  
miller was at the airport  
connection between miller and teague, miller is going rogue, would have been put on leave  
chinese stuff on teague's computer  
danno in middle of nowhere, talks to mcg on cel phone  
teague is a chinese spy, going thru jungle!!  
grover and mcg talk about car  
teague about to be exposed as a chinese spy, goes to hawaii  
miller finds out, wants to intercept teague  
danno is yap yap with junior about evidence trail  
inject a GPS into the subject  
go to see miller (cute music)  
greer is the traitor, i'm the collateral damage  
running his own investigation, not waiting for someone to clear his name, teague is "one of ours"  
a double agent feeding info to the chinese  
miller offered teague some favors  
special ops team sent by miller, they are all dead!!  
miller was going to take him to a safe house, chinese know about it

a chinese extraction team including greer  
teague waterfall, H50 assassins?

danno is in charge in the jungle ???

greer in blue lit room?!?

she gives mcg a speech about how the cia is bad

she will end up in a cell, but we know she will make a deal or something

miller is dead, teague is captured

scan all the local traffic cameras, find it quickly

stupid h50 hits the chinese truck

danno arguing over nothing as usual

fuck off, tani gets a visit from the captain

lost father 2 days before she punched him out

charged under espionage act, first one

she is threatening mcgarrett
